**Subject:** FINAL Decision Doc and Response to Comments

All--

See attached for final word and pdf versions of the decision doc and response to comments. I sent off to our web developers so it they will be posted to the web, along with the docket, first thing tomorrow (more likely it will go live this evening since we have a policy not to post live on Fridays).

Please remember these are internal-only docs until Friday. We should not share embargoed copies with press or others in advance of the official announcement on Friday.

Thanks everyone for all their amazing work to get this to final. It truly was a team effort.

Allison
